- ReactJs
- Java
- MySQL
- PHP
- Python
- HTML
- CSS
- Firebase
- HTML5
- Javascript
- Microsoft sql
- Software Engineering
- Knowledge of APIs
- MUI
- Bootstrap
- NextJs
- C++
- NoSQL

SUMMARY

As a deeply motivated and dedicated individual, I am enthusiastic about perpetual learning and skill enhancement. With a strong foundation in web and software development, I bring a diverse set of competencies and a wealth of experience to the table. My work ethic is characterized by initiative and a relentless commitment to delivering projects at the highest level of proficiency. Furthermore, I have had the privilege of collaborating with diverse groups of professionals, demonstrating my aptitude for teamwork and my ability to excel in collaborative environments.

CERTIFICATION

Next.js & React – The Complete Guide (incl. Two Paths!)

This certificate verifies the successful completion of the course on 09/16/2023 as taught by Maximilian Schwarzmüller on Udemy. https://www.udemy.com/certificate/UC-d9556250-b69c-4153-a09c-a80bcdcafbb0/

EDUCATION

Bachelor of Science in Computer Science

Beirut Arab University

📅 2020 - 2023

Freshman Sciences
